

[HF325F]
F Polished Brass Check Snoot (Clapper Style) - 3" FNPT x 2-1/2" Hose Swivel

3" (76mm) Female NPT x 2.5" (64mm) Female swivel hose thread, polished brass Check Snoot. The HF325F is used on multiple inlet fire department connections, enabling the connection of several fire department supply lines at one time. The HF325F is equipped with a brass clapper preventing the backflow of water through unused connections. A breakable cap or plug should be installed to protect swivels, and reduce the risk of foreign debris from entering the connection. UL/ULC Listed.

Finish: Polished Brass

Rated Pressure: 300 PSI (2070 kPa)

Hose Threads Available: NST

Other Hose Threads: Please Contact

Dimensions:

As Per Drawing.
